Dear Frank,

I want to take this opportunity to again thank you and Leone Homes for your incredible assistance to me in the clean-up and the repair of the damage which resulted from Hurricane Sandy. Your daily support made weathering the storm easier to bear. The generosity of Leone Holmes in providing a discount for the repairs was also very much appreciated. The quality of craftsmanship was excellent and it is nice to view our school without the damage. Please extend our heartfelt gratitude for the support from Leone Homes.

I will miss working with you on the board of trustees and I hope that you, Stefani, and Harrison will someday be able to visit us in New Hampshire. You have been a great friend to my family and I will cherish your kindness over these many years.

All the best,
